

Hall E

Coffee & Workwear

In Hall E, we have gathered suppliers of coffee solutions and workwear. These two sections are divided by a red catwalk in the middle of the hall. Each exhibitor in the workwear section will receive a mannequin, which they can dress individually. Furthermore we will be hosting fashion shows featuring professional models wearing exhibitors' products.

Hall E will also be featuring prestigious competitions for chefs and waiters. On the opening day, we will be hosting Chef of the Year and Waiter of the Year. On the second day, we will be celebrating the stars of tomorrow, when the Danish championship for apprentices unfolds.

Finally, we will be shining a spotlight on the most talented chef and waiter in the Nordic region and reveal the winner of the Nordic Green Chef competition.
