## Wine Market Place

The Wine Market Place is the gathering place for smaller wine importers who wish to profile a few selected wines, at the exclusive WineExpo area. At the Wine Market Place you rent a desk and join a smaller exhibition area. This way it is possible to get in contact with the restaurant manager, the cellarman, and the many professionals exclusively invited to WineExpo. At the Wine Market Place you do not have to worry about construction, or decoration of your stand. The Wine Market Place ensures you can focus 100% on your customers, and products.
